Players and Parents,

Thank you for your interest in playing with the New Berlin Heat. We are very excited about this, and are looking forward to a fun, baseball filled year. It is important to recognize that this is NOT a recreational program, everyone does NOT make the team, and the focus on competition increases dramatically. The philosophy of the program is to give youth in New Berlin an opportunity to play baseball at an advanced level while preparing them to play at the High School level.

By signing below, I/We understand that (read carefully):

- There is a significant time commitment to your team and teammates.
- This is NOT a recreational program. There is no minimum playing time requirement!
- Most practices and games are **mandatory**.
- Baseball comes **after** school **academic** functions (i.e. Band, Orchestra, Science Fair, etc.), major religious functions, and **major** family functions (vacations, grandma's 110th birthday party, etc.).
- After April 1st, Heat baseball comes **before** all other non-academic activities (i.e. **soccer**, track, basketball, dances, etc.). **Players will be dropped for lack of commitment to the program.** Remember playing time is earned by skill and commitment, missing practices **will** affect playing time.
- Coaches may hold some practices in the off season (before April 1st). While these practices are not mandatory, every effort should be made to attend in order to avoid falling behind the other players (especially pitchers
- All families are **required** to help with concessions and Field Marshall at the Heat tournament in late July.

I HAVE READ AND **AGREE** TO THE ABOVE CONDITIONS!
