

Southeast Little League - Indoor Batting Cages Project

Ah, sweet summertime memories!

Think back to summers spent in the park playing Little League baseball or softball. Sunny skies, and the smell of freshly-mown grass. Cheeks filled with sunflower seeds. Uniforms put on with pride... It was more than just a game - it was a rite of passage.

Southeast Little Leagues main purpose is to provide a safe, fun and healthy environment for children to develop the ideals of good sportsmanship, teamwork, fair competition, and respect. Our success is easily measured by focusing on one simple goal: for EVERY child to come away from this season saying, "that was fun, can I play again!"

Currently, Southeast Little League services the Southeast side of Davenport as well as the entire city of Bettendorf. In 2017, we will provide over 250 children within the above mentioned boundaries the opportunity to play baseball at one of the finest youth ballparks in the area. No child is ever turned away from Little League because of a financial burden.

Southeast Little League has launched a Capital Campaign seeking to raise \$50,000(\$32,500 in donations to date) in private donations to fund our Indoor Batting Cage Project. Please consider making a gift to this community-enhancing project - ***it can only happen if we "step up to the plate"!***

You can start the donation process by completing the attached Southeast Little League Indoor Batting Cages Donation Form. Donations of all sizes are welcomed! ***Special Recognition*** will be given to Donations at the following levels:
