Refund Policy

Running an effective non-profit, 501(c)(3) organization always comes with expenses. Once an athlete has registered to participate in football or cheer, we immediately incur expenses on their behalf. These expenses include, but are not limited to, association fees, player's fees and insurance, annual taxes, transportation, indoor practice space when needed, etc.

For these reasons, The Boston Raiders Youth Football & Cheer program has set forth the following guidelines on refunds with regards to registration.

To request a refund, a written email should be sent to bostonraiders02124@gmail.com; subject line should read "Refund Request" with a detailed explanation for the request. After the request has been received, the Board of Director's will review and decide to move forward with the refund and how much of the cost will be refunded, if any.

NOTE: August 15th will be the LAST day for full refunds. Thereafter, there will be a \$100 refund unless there is an emergency...NO EXCEPTIONS!!

Refunds **WILL** be accessed based on the following:

- moving out of the area
- not filling team/squad roster due to lack of participation
- other justifiable circumstances approved by the Board of Director's

Refunds **WILL NOT** be assessed due to the following:

- player has been removed from the team/squad for Code of Conduct violation(s) by the player or the parent
- not being able to make it to and from practice due to transportation or parent's conflicting schedule

Medical Refund

If an athlete sustains an injury or contracts an illness during the season and is medically unable to participate for the duration of the seasonal year in football or cheer, a note from a licensed physician on letterhead indicating that the participant no longer participate is required, NO EXCEPTIONS.

The amount of money that is refunded is contingent on how much of the season has passed as well as the reason for the refund. For example, if an athlete has suffered an injury with only a short time left in the season, this will more than likely not warrant a refund as the entire cost of the season has already been incurred. All Refunds will be issued in a timely manner.
