

LYA Winter Sports Team Sponsorship Program – 2025/2026

It's time to sign up for the Lionville Youth Association's Team Sponsorship program, where local businesses partner with LYA to provide safe and healthy sports activities for the children of the Downingtown Area School District.

We just need an email response from you by 9/30/25 to save some teams for your business!!

LYA team sponsorship includes your business name on LYA team players' shirts, a listing on our website, highlighting your business on our Facebook page, **and the opportunity to post coupons/offers on our website** to give you great advertising value for your dollar. There will be kids playing in local gyms from December-February with your business name prominently printed on their shirts. You can also attract new customers by posting coupons and offers that LYA families can access from our new/improved website. We will also periodically notify the over 3,500 LYA families about discounts or coupons from LYA sponsors that are posted on our website, so they can gratefully patronize the businesses that support LYA.

LYA Winter Sports available for team sponsorship are:

Boys Basketball and Girls Basketball
