Baseball – Season is under way

Softball – Season is under way. Getting ready for playoffs, then all-stars. LYA will be cohosting districts with West Bradford and Westside. There were many questions from t-ball parents/volunteers this year about policies. In order to help with questions/issues in the future, C Allen will host an informational parents' night at the beginning of the season for t-ball parents going forward.

Lacrosse – GIRLS: Season is winding down and season is going well so far. The payroll app was very helpful for their ref payments this year. Other sports will look into this. BOYS: Season is wrapping up and finished in June. There was a bullying incident on one of the teams. Gardner will look into leading an effort to facilitate bullying in the future.

Soccer – Registration will open in June.

Travel Soccer – The 2017-18 season is finishing up. Tryouts happened for the new season and they are starting soon.

Lightning Softball – Teams are playing and there is an organizational meeting next week.

Track and Field – LYA had two people step up to be co-commissioners. Deanna Andrews and Dave Roth will be running the program. Registration has started.

Field Hockey – LYA does not have a field hockey commissioner. Without a commissioner, we cannot offer the program. Laughlin will send out emails to all field hockey families and then all of LYA, if no one offers.
