

PLAINFIELD SAINTS

Youth Football & Cheer

Hello Saints Families,

The Plainfield Saints has always worked hard to provide a safe, fun and competitive environment for our families, and players. Since the beginning of this pandemic we have deferred to the State of Illinois as well as the Chicagoland Pop Warner and their guidelines for navigating through these unusual times.

Governor Pritzker has Officially announced that Football for Illinois high school and youth sports are cancelled for the Fall 2020 season. As a result, we will regretfully cancel our 2020 Football & Cheer season. This is a decision that does not come easy. We greatly appreciate your patience and understanding throughout this summer while we worked on putting together a plan to safely have our season.

We waited as long as we could in the hopes that we could get back on that field. However; with the new restrictions in place and the uncertainty of when we would be able to play we feel this is the best course of action for the organization. We share in the disappointment expressed by our families and players but also share in the hope that our athletes will be playing again once the snow melts.

With that being said, there is some good news on the horizon. Pop Warner is planning on having a spring season. We will provide details as we get them; so be sure to keep an eye out for emails and updates on our Facebook page.

Once we have all of the information we will reopen registration as early as we can to allow ample time for everyone to sign up for the spring season.

Thank you again for all of your support through what has been a very trying summer for all of us. Without the great families that we have, the Plainfield Saints would not be the premier organization in the area.

Refunds will be processed in the coming weeks. Please be sure that the information we have on file from your registration is correct.

Even though todays news is a minor setback, we look forward to continuing our winning traditions in the spring.

~The Plainfield Saints Board
