RE: Boundary Map – Mount Angel Area Little League 437-07-08

Hi Cari:

This will acknowledge receipt of a Boundary Map, approved by you, for Mount Angel Area LL.

The map will be placed in the league's permanent file here at Regional Headquarters and may be considered approved by Little League providing the boundaries do not conflict with any prior approved boundaries of any other chartered Little League program. You should also retain a copy of the approved map for your files.

Each year, at registration, the league should display the approved map to insure that only those candidates who reside within the league's geographic boundaries are accepted into the league.

Please advise the league on this matter.

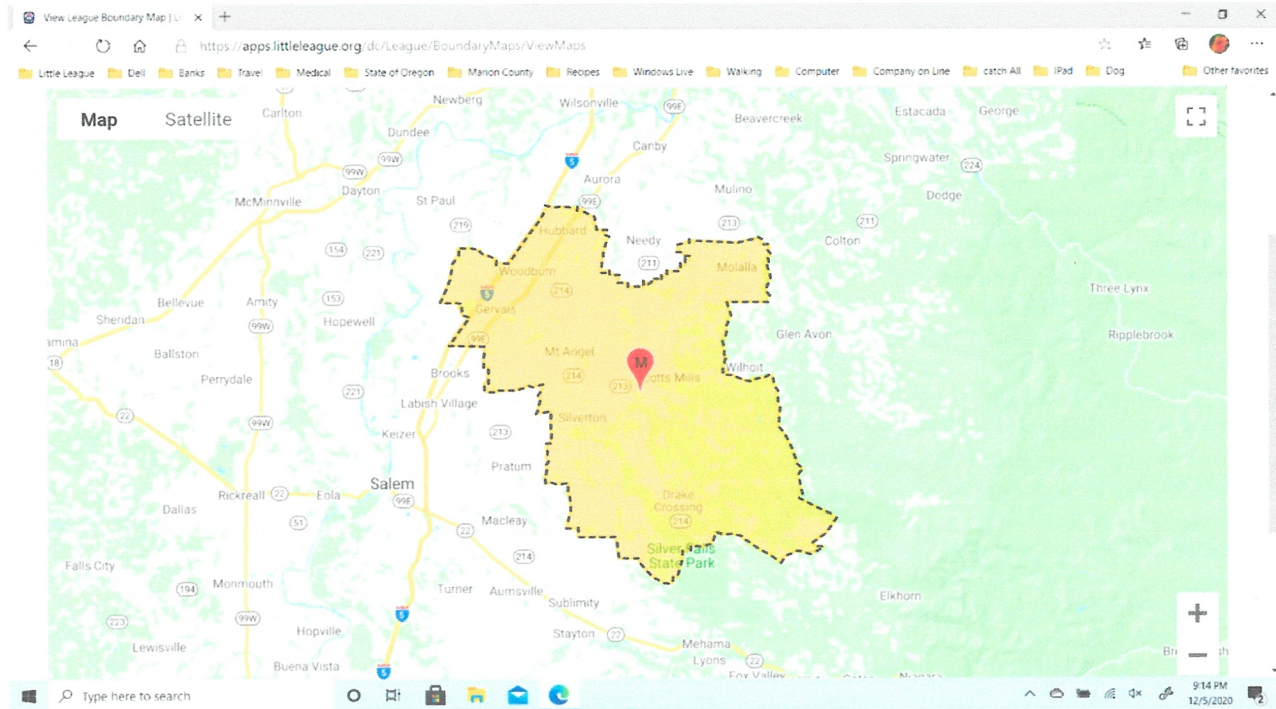

Best regards to the dedicated volunteers of your district for a safe and successful 2017 season.

Sincerely,

*Brian Pickering*
