Absent:

Guests: Adrian Martinez, Chrissy Davis

Treasure report: None given

Meeting Minutes: No motion to accept last month's minutes

Old Business:

1. Monies still owed: South Valley

2. ASAP: ASAP plans will soon be on the Data Center (probably within the next week or two).

Remember that they are due March 1. Important to submit with enough time to amend or add to be approved by March 13, 2016

3. Softball Meetings: **1)** Next meeting is March 15, 2016 at 7 PM at Keizer Field House. **2)** Last meeting reviewed interleague rules. Waiting to hear back concerning proposal for AAA/MJR 5 run in 4 innings with inning 5 and 6 open innings. Western Regional approved for the AAA level, but not for the major level yet. **3)** Scorebooks along with recording last names and first names in book, have a copy of lineup to compare for consistency. **4)** Softball size – last year had option of 10 or 11 inch ball. Recommended to go to 10 inch for AA level as it fits in the pitcher's hand better.

4. Taxes: Due Feb. 15, 2016. Please also send Cari a copy of forms submitted for district records.

New Business:

1. Boundary maps: Brian Nelson from Washington D8 that has helped us with online boundaries is here. Instead of doing a presentation, he will work with each league so during the meeting, please go back and sit with him and Tom Bowman and go over your league boundaries.

2. Player lists: These needs to be submitted by April 1, 2016. Later in the season, the lists can be resubmitted with updated information concerning teams/players.

3. Registration: How are numbers? Discussion concerning using online – Blue Sombrero.

4. Player Age Forms: Due to Cari by March 1, 2016. Tri-Cities just opened their online today, but won't be doing anything in person until the middle of March. They will get preliminary numbers in.

5. Western Regional Proposed Rule Changes: Cari went through the proposed rule changes and gave feedback on what was discussed at her table along with Debbie sharing her table's responses. If any changes happen, probably won't be done this year with the exception of changing the name release for tournament dates. Will keep the leagues informed if decisions are made regarding this year.

6. Tball Program spiral notebook: Cari shared the notebook. Little League is supposedly working on an AA book (coach pitch level).
