## Old Business:

- a. ASAP – Leagues not approved by May 1st: Albany, Tri-Cities & W. Salem. Owe to D7 \$116.00 each.
- b. Items still needed to be turned into D7 – League Check-off List: Overview of what is still missing.
- c. Charter & Insurance Change Form: Leagues need to verify they have the correct number of teams chartered. If you have a player(s) that is with another leagues team, be sure that you have chartered a team for that level of play. This must be done prior to June 1st.
- d. Combined team forms: Debbie went through but will still need some signatures within the next few weeks.
- e. Debbie has been receiving phone calls & emails re: interleague rules. Teams are not following them, using their own rules, stating they have waivers for certain rules from Debbie which they do not, scores have been 20 plus to 2 at second inning, too much arguing going on at fields in front of kids.
