

2026 Oregon State Little League Leadership Conference

When: February 20 and 21th, 2026

Where: 7 Feathers Casino and Resort, 146 Chief Miwaleta Lane, Canyonville, Oregon 97417

Without volunteers, over two and a half million kids around the world would not experience the fun, growth and community activity created by the local Little League program. Baseball and Softball bring friends, family, and community together. Teams play because Teams of Volunteers make it happen.

For the last thirty years, the Little League Administrators of Oregon, as part of that Team of Volunteers have hosted the Oregon Leadership Training Conference in an effort to give each local league volunteer the tools they need to fulfill their roles in providing Little League to their communities. This is your invitation to join the team.
