All other games will take place by the football shed (close to the track). Games will begin on August 26, 2023, and will be every Wednesday and Saturday, except the Saturday of Labor Day. Uniforms: If you already ordered a jersey and flags for the season, once they arrive, they will be given to your coaches to hand out. Please make sure you keep track of your flags throughout the season. If you need a jersey/flag, and didn't order one online when registering, please let us know. We can either add it to your account to pay online or we you can make a check out for \$20.00 to the Columbus Football Organization if you need a jersey/flag. Please make sure you check your child's jersey from last year to ensure it still fits as there is a 2-3 week turnaround time in order to get flag jerseys.

The CFO will try their best to keep the website and Facebook page as up to date as possible. If you have questions, check one of these two places. Under Youth Programs Tab,

you will find the different grade levels. There you can find schedules and other information pertaining just to that grade level.

Our Columbus Football Facebook is another page to keep up to date on stuff and be reminded of things happening. We will try to leave a message on Facebook with practice changes or early release of practice due to weather along with sending an email or text message out.

You can also check out our google calendar on our website and input it into your calendar for upcoming events with the CFO.

Text Notifications: If weather is bad and we need to cancel practice or cancel practice early, we will send an email and text with that information. Also check our Facebook page. If you wish to receive texts, you must sign up by Texting the Key

Word: [2023FlagFootballtshq22516](https://www.textingthekey.com/2023FlagFootballtshq22516) to 334-310-2497.

Coaches: We are still looking for one more coach at the 5k/1st grade level. We are also looking for helpers for 5k/1st grade and 2nd/3rd grade. It is much easier and more beneficial when we have two coaches per team to keep the kids organized and rotating in and out. If you are interested in coaching or helping, please reach out to us.

Youth Night: The CFO Youth Night is scheduled for August 18, 2023, at 7:00 p.m. at the Columbus Varsity game. This is a fun night for all our youth and a great way for us to come together as a community for the start of the Columbus High School Football season. Please have your child wear their jerseys to the game as they will get in free if they have their jerseys on. At the start of the 2nd quarter, we will have all the kids meet down by the opening in the gate (closest to the high school parking lot). At half time, the kids will be split within their teams and will run from the field goal line to the center of the field and be introduced on the field. After being introduced, we will then go back to the opening in the gate, and we will form a tunnel for the high school football players to run through to start the second half of their game.

CFO Board Member: We are always looking for other people to join the CFO board, especially parents that have young children that are willing to stick around for a while. If you are interested in joining this fun board, please reach out and/or attend one of our board meetings.
