14th Annual Golf Outing

July 29, 2022

Let's get ready for some Football! It is time again for the 14th Annual Columbus Football Organization Golf Outing Fundraiser. This past year, we had 116 golfers and 179 people for dinner. This year's event will take place on Friday, July 29, 2022, with an afternoon shotgun start. The outing will include team prizes, a hole in one contest, flag events, beat the pro and complimentary snacks on the course.

The evening program begins with dinner at 6:30 p.m. The waiters that evening will be the Columbus Football Team. Prior to and during dinner, attendees will be able to purchase raffle tickets and bid on silent auction items. The winners will be drawn for the High School Raffle. The evening will conclude with the live auction and door prizes.

There are many ways in which businesses and individuals may participate. Some of the options include purchasing one of our Club packages, which depending on the package, could include sponsoring a hole, a flag event, providing snacks on the course, the appetizers before dinner, or the foursome golf/dinner package. Individuals can participate in the golf and dinner for \$80 which includes 2 mulligans and all events on the course or just come and enjoy dinner for \$30.

Our organization has definitely had some unexpected expenses in relation to the Covid-19 pandemic the last couple of years. Our priority was to ensure that all kids that wished to play, had the opportunity to play by forgoing registration fees along with keeping them safe. With extra planning and safety precautions in place, we have been able to have successful seasons.

Last year we invested new practice pants and game pants for our 4th – 8th grade teams, new footballs, new helmets and training equipment for the youth football players. We also invested in coaching clinics and certifications along with our 2 annual \$500 scholarships to graduating seniors.

This year's focus will be on the basic needs of our youth including adding additional practice and game pants for our 4th/5th graders. We also had several football helmets that have expired and will be replacing 26 helmets at a cost of \$4922.00. Other items that will be purchased include shoulder pads and jerseys if needed, recertification of helmets costing \$1050.00, 2-\$500 Scholarships and training equipment that is needed. We also are also looking to have repairs done to our football shed this season.
