

To Whom it May Concern:

Hello, my name is Necole Goldwyn, and I am the manager of the 12u Wallington-Lodi All-Stars softball team. This year we have a special group of girls working together to achieve an honor like no other: Winning the State Championship! These girls are very talented and have the drive to compete and achieve this great goal but are looking for help getting them to the promised land.

Due to the State Championships being held in Harrison Township, the costs of bringing these All-Stars to this tournament is high. We are looking to raise funds for these girls to stay in Harrison Township hotels so that they do not stress time restraints commuting to and from each game. This will afford them a piece of mind and will allow them to focus on one thing: winning the tournament and representing New Jersey in the Regional Round held in Bristol, Connecticut.

We are looking for an in kind donation of \$500 to help us reach our goal. With your donation, we will ask that you send us your logo so that we can attach it to our practice jerseys which will be worn throughout the state at all the levels of tournament play. Also, we will include your logo on a large banner that will be hung at both Lodi and Wallington Little League fields to show our appreciation for your support.

We have teamed up with Lodi C.A.N., a registered 501c(3), in the effort to collect the money and disburse it accordingly for best accounting practices. Please make all checks payable to Lodi C.A.N.

Any funds that are left over will be split equally between both Little League Organizations to better the programs moving forward.

I would like to thank you in advance for your time and your generosity.

Any questions, please feel free to reach out to James Tassillo, Executive Director of Lodi C.A.N., at 201-755-2027 or by email at James.Tassillo@lodican.org

Best Regards,

Necole Goldwyn
Manager of Wallington-Lodi All-Stars
