HATBORO-HORSHAM HAWKS PARENTAL RESPONSIBILITY NOTIFICATION

The Hatboro-Horsham Hawks is a 100% volunteer organization whose mission is to provide a safe environment for boys and girls to learn skills and participate in football and cheerleading programs. For this to be possible it is necessary for every parent to participate at some level in our organization. Many of us volunteer and get elected to a position on the board of directors, others are selected to be a coach or an assistant coach, a team administrator, or a member of one of our numerous committees. But even with all these people there is still more that needs to be done in order for our organization to function.

Home game days require the most participation with as many as ten parents from each football team and many from each cheer squad helping out. The size of your child's team will determine the amount of times that you will be scheduled for an assignment and the number of volunteer sessions needed to receive your volunteer fee reimbursement. Once your team administrator issues the game day schedule, it is your responsibility to fulfill this obligation, as the team is relying on you. Participation at games and snack stand duty during both games and practices is mandatory. **The child of any parent who refuses to participate will not be permitted to play the following week.**

The more people that volunteer, the easier it is for everyone. Throughout the season volunteers will be needed for snack stand coverage, game day duties, fundraising, and more!

Please sign below to acknowledge that you have read this notification and that you understand the necessity of your voluntary involvement in our program. Thank you in advance for your help! It is what makes our organization great!
