WATER-OAK POP WARNER CHEERLEADING CODE OF CONDUCT

All parents/guardians and athletes are required to read through this code of conduct in its entirety. One form needs to be turned in for each athlete and needs both a parent/guardian and athlete signature on all sections. The expectations and rules are required of our athletes and families and are in place to ensure that we have a safe and successful season.

Water-Oak Pop Warner cheer is a large time commitment from August 1st until December. We expect all cheerleaders to attend and be on time to practices, games, competitions and required functions.

1. Texts or communication right before practice/game/competition that a child will be late or not attending is unacceptable and will not be excused. Excused absences include contagious illness (including COVID-19 protocol) and deaths in the family. All absences should be communicated to your head coach as soon as possible to allow for proper planning of practice/game situations.

2. For safety reasons, notification is required prior to practices/games/competition if your cheerleader will be picked up by anyone other than a parent/guardian. You must come see a coach in order to pick up or drop off your cheerleader.

3. No call/no shows and unexcused absences to practice/games will not be tolerated. All cheerleaders are required to participate in all practices and games for the entirety of the season.

4. After one (1) no call/no show or unexcused absence, your cheerleader’s spot in the competition routine may be changed due to safety reasons. After three (3) no call/no show or unexcused absences, the cheerleader will be removed completely from the routine.

5. Three (3) tardy arrivals of 15 minutes or more to practice will equal one (1) unexcused absence. Please utilize carpools to practice if you have trouble getting your cheerleader to practice on time.

6. One (1) unexcused absence or no call/no show to a game will result in removal from the halftime routine for two (2) weeks. However, your cheerleader will still be required to participate with their team on the sidelines.

7. Leaving a practice/game or arriving late to a practice/game due to another sport/activity is unexcused. Water-Oak Pop Warner Cheer must take priority over other sports and activities (other cheer teams included).

8. Absences/tardies due to religious observance or education are excused.

I have read, understood and agreed to the attendance policy:

FAQ’S

Email us with any further questions at wateroak.cheer@gmail.com

Q: How can my cheerleader be prepared for practice?
A: Please be prompt during drop off/pick up. All cheerleaders should arrive to practice wearing sneakers, no jewelry and their hair pulled back into a high ponytail. Their coach will inform them of any other specific practice attire.
Practices will be held outside for the month of August. Please plan accordingly for the weather. Please send your cheerleader to practice with water. No food or chewing gum allowed.

Q: When will practices be held?
A: Practice begins August 1st. Head coaches will inform you of practice schedules/locations/cancellations/etc. Indoor practices begin after Labor
Day. Head coaches will inform you once they have indoor practice schedules. Each team can expect to have practice three nights a week, although Jr. Tiny Mites and Tiny Mites may differ.

Q: What is considered an unexcused absence?
A: Examples of Unexcused Absences:
   1. Cheerleader attends school and does not attend practice.
   2. Failure to contact the Head Coach at least 60 mins prior to practice or game regarding illness.
   3. Failure to notify the Head Coach of family commitment in advance.
   4. Leaving practice or game for another sport/activity (Water-Oak practice and games must take priority).

Q: Our family has a summer vacation planned after the start of the season, what should we do?
A: We understand that families make vacation plans well in advance. We do give some allowance for these situations during the month of August. However, missing the first week of practice significantly sets back both the athlete and their coach. That is the time when conditioning hours are completed before an athlete can fully participate. Outside of that and given it wouldn't be more than a week, we do allow for absences due to vacation plans in the month of August. If your athlete will be out for the first week of August or there is a vacation scheduled that would have your athlete miss more than a week of practice, you need to reconsider signing up for the season and plan for next year.

Q: Why hasn't my cheerleader been placed on the team she wanted to be on and why isn't she getting to be a flyer?
A: During our first week of practice, we will be holding an evaluation of skills. This will help Head Coaches determine their team's strengths and weaknesses, which in turn will determine what level they will compete at and how to develop a safe routine and hold a safe practice. Cheerleaders will be placed on a team by the Water-Oak Cheer Coordinator in direct compliance with the Pop Warner Rule Book. All cheerleaders are expected to perform all aspects of the sport to the best of their ability, including but not limited to: basing, back-spotting, front-spotting, jumping, tumbling and flying. The Head Coach and Coordinator will determine what position a cheerleader will have on the team.

Q: What should I know about competitions?
A: October starts competition season! States and Locals both take place in October and have taken place in New Haven, CT in the past. If the cheerleaders place 1st or 2nd at Locals, they will move onto Regionals. Regionals is held in November in Massachusetts. Last year it was held at the Mass Mutual Center. Staying overnight for this competition is not required, though some families choose to do so at a hotel of their choice. If the
cheerleaders place 1st or 2nd at Regionals, they win a bid to go to Nationals. Cheerleaders are also capable of qualifying by score for Nationals. If their score is in the range of 1st or 2nd place, they may be invited. If that is the case, it is the decision of the Head Coach and Cheer Coordinator if they accept the invitation. Nationals takes place early December in Orlando, Florida. All teams will stay at the same hotel, which will be chosen in advance. The competition itself will take place at the Orange County Convention Center.

Q: Do we fundraise for Nationals?
A: Yes! Only once a team gets a bid for Nationals can fundraising begin. Things move quickly at this point and your payment for the hotel will be due shortly after Regionals. We strongly suggest saving for Nationals as early in the season as possible, as we know this is a big expense. The goal of fundraising is to help each family lower the expense of their travel and stay. We will do pail shakes at local businesses. You will be asked to visit local businesses to ask for monetary donations or items/services to be used as raffle prizes. We hold fundraising events such as Bingo nights and Paint and Sips where there are raffles. We've also done online popcorn shops. When fundraising is complete, you will receive a check before heading to Florida. All checks are of equal amounts. The fundraising committee will help guide everyone on this matter. If you do not intend on participating in Nationals/ Globals fundraising, you MUST sign the No Fundraising Agreement. By signing this, you agree that you will receive no funds from any fundraising and you will cover the expenses in full.
