

COASTSIDE YOUTH ASSOCIATION (CYA) FOOTBALL + CHEER

Every year we invite local businesses to sponsor our teams. Becoming a sponsor is a great way to get involved with the community. And as a sponsor, you give back to our youth the opportunity to play, interact and learn valuable skills that will stay with them into adulthood.

Pop Warner Coastside Youth Association Football + Cheer will serve over 60 youth between the ages of 5 to 14 years. By sponsoring, you help subsidize the cost of equipment/uniform, field use, referee's during home games and provide scholarships to players who need assistance, over 20% will receive some kind of financial assistance. Our community has the opportunity to support these vital and life changing experiences.

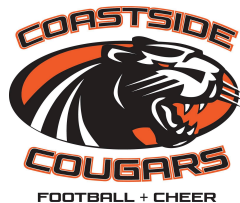

We know that businesses do a great job of improving the community and we thank you for your continued support. You're making Half Moon Bay a better place for our youth to grow up in.

All sponsorships are tax deductible. Please consider making your donation today. Questions? Call or text Hilda Plancarte (650) 867-1228 or email coastsidefootballcheer@gmail.com

Coastside Pop Warner Football + Cheer

EDUCATION • SELF-RESPECT • DISCIPLINE • PRIDE • TEAMWORK • FAIR-PLAY • SPIRIT

The Coastside Youth Association Football + Cheer program is a non-profit, local level, Pop Warner football and cheer organization administered solely by volunteers. The Board of Directors and other volunteer parents and family members are continually preparing for a broader, better-equipped and better-publicized program for boys and girls, ages 5 - 15.

Football requires a considerable investment in the safest, most modern equipment available. The organization must also pay for the use of the athletic field, personnel to prepare the field, equipment storage, liability insurance, referee's, and emergency medical technician expenses to name a few. As school budgets have been reduced, organizations such as Coastside Football + Cheer have become the providers of physical education for today's active elementary and middle school youth. We encourage under privileged children to become part of this exciting and rewarding program and your sponsorship allows us to provide eligible families a reduced enrollment fee.
