

Lower Perkiomen Little League (LPLL)
P.O. Box 26203
Collegeville, PA 19426
www.lpll.org

In 2023, Lower Perk Little League flourished with over 650 kids getting the opportunity to experience how much fun baseball and softball can be at Palmer Park! We hosted over 30 District 27 games at our facility and were honored to host both the Baseball and Softball Little League Section 8 tournament. A huge reason was because of the support we get from our sponsors, enabling Lower Perk to be one of the premier baseball and softball organizations in the area. We also had several Lower Perk All Star teams have successful seasons:

- Softball District 27 Winner & Section 8 Winner – 12U Maroon (Coach Elmer)
- Softball District 27 Winner & Section 8 Runner-Up – 10U Maroon (Coach Miller)
- Baseball District 27 Bennett Tournament Winner- 10u Black (Coach Silbert)
- Bob Jones District 27 Majors Rec Tournament Winner – Cubs (Coach Morrell)

At LPLL, our goal is for all our players to have fun while providing them with a sound understanding of the game and the fundamental skills necessary to succeed on and off the field. Support from our sponsors ensures we can offer a wonderful experience to all league participants, coaches, and families. In addition, with your help, LPLL continues to improve our facilities, making our fields the most attractive in our area. In 2023, here are some of the things we were able to do at our complex:

- Build a brand new 46/60 to 50/70 convertible baseball field on our complex with fencing and foul poles
- Continue partnering with our landscaping company to create an enhanced Spring & Winter turf plan for all fields (i.e., 10 tons of infield mix on our 8 fields).
- Purchase awards for all Little League graduating 12 yr old softball and baseball players.
- Purchase replacement controllers for the Field 2 & Field 6 scoreboards.

As we look ahead to the 2024 season, we hope to fix some drainage issues on Fields 2 and 5, purchase a new sound system for Field 1, replace our equipment shed near Field 6, and look to build dugouts on Field 8.

We are also re-introducing the Little League Challenger Program to Lower Perk LL this season allowing for kids with physical and intellectual challenges to enjoy and play the sports of baseball and softball.

As you can imagine, all these items are costly, so we kindly ask you to consider one of our attractive sponsorship opportunities. Again, your support not only allows us to continue growing and enhancing our Little League program, but it introduces/increases the exposure of your business to all of LP Nation and those that visit our fields from March thru October, demonstrating your commitment to our children and our community.

If you have any questions or would like to discuss additional options, please feel free to email Alison Morrell, our Sponsorship Coordinator, at cdoherty@lpll.org or call/text her at 908-358-8224. LPLL looks forward to partnering with you!

Thank you in advance for your consideration!

"The outcome of a game will never outlive the pride of belonging, the experience of playing, the friends and the fun. The essence of Little League is the people, their communities, and the everlasting bond between them." ~ Little League®
