

Palm City Dolphins are turning 50 this year! We are so excited to begin preparations for our Fall 2023 season! We have an amazing opportunity for you to team up with us and make a difference in the lives of hundreds of children here in Martin County.

A generous sponsorship helps provide a safe, enjoyable youth football and cheer experience for so many children and their families. Your tax-deductible donation will be used to send a team to nationals, purchase additional uniforms, participation in educational courses for coaches and volunteers, and allow financially challenged families to participate in a truly rewarding team experience in both football and cheerleading through our scholarship program.
