

Major Division Evaluations and Draft Day

Major division evaluations allow us to draft equitable teams across the division. This results in better competition, game play and a more enjoyable experience all around. Please make every effort to attend both sessions at your designated school's time. Due to the possibility of inclement weather, the indoor session on **Saturday, March 17th, 2018** is the most important.

The MLBA indoor facility is located at **1840 Mayview Rd Bridgeville, PA 15017**. Here is a link to an image of the building: <https://goo.gl/maps/M4MG8YvhFK52>.
