

Player Code of Conduct

A. Players:

This Code of Conduct is to help players be responsible and develop good sportsmanship habits. By registering to play with CSA, the player agrees to this Code of Conduct, and will abide by it and acknowledge that participating in the CSA soccer programs is a privilege, and not a right. Every player is expected to:

1. Learn and respect the laws of the game, and abide by them at all times.
2. Show respect and courtesy to coaches by following their instructions and directions.
3. Respect the officials and refrain from addressing them or commenting on their decisions during or after the game.
4. Respect the coaches and players of the opposing team and display sportsmanship at the conclusion of a game.
5. Maintain control of his/her emotions, avoiding the use of abusive or profane language, taunting or humiliating remarks, and/or gestures and physical assault upon any another player at any time.
6. Treat players, parents, opponents, coaches, and officials with respect.
7. Wear the proper uniform and equipment to all games and practices as directed by the coach. Wear proper shin guards and footwear and bring plenty to drink. For safety reasons, no jewelry of any kind is allowed including earrings, rubber bracelets, etc.
8. Players must treat the indoor and outdoor fields for games and training as their own house, keep it clean, no littering or abuse of the facilities in any way.
9. Must wear the proper uniform and have the proper ID at all time.
10. All players are required to try-out at the end of each spring in order to be evaluated and accepted for the following season.

Attendance is extremely important. We do understand emergencies happen, but do your best to make all practices and games. If there is an issue, contact CSA ASAP. If he/she fails to obey this requirement, they may be terminated from CSA.

11. The player's head coach has the right after the evaluation and during the process of the season to move that player to a different team if needed. We want all CSA players to be on a team that is fit to that player's level and the academy's standard.
