We are very proud to announce the dates of our annual baseball camps! Our coaching staff will focus on mechanics and fundamentals, and our Ripon College players will be present to demonstrate and assist. Head Coach Eric Cruise and the rest of the Red Hawks coaching staff will direct the camps.

The Ripon College baseball camp has become one of the best in the Midwest. Sessions are designed to provide individual instruction including some video analysis to help each camper apply what they have learned. Development of each camper's skill set, knowledge base, and self-awareness is the goal of every session.

Eric Cruise
Head Baseball Coach

"This camp exceeded our expectations. The coaches' knowledge, passion and kindness were like no other camp our son has ever participated in to date. Ripon baseball camp has redefined a quality camp standard for us, and we will definitely be coming back. They kept the camp moving, provided fun, solid and fundamentally sound activities and challenged each participant to evaluate themselves in skill and character. Thank you for pulling the best out of those in attendance, for genuinely caring for the attendees and sharing your love and knowledge of this wonderful game of baseball."

"This camp, more than any other, exceeded expectations. The attention to the detail behind the fundamentals was not only emphasized, but each participant received individual instruction."
