

Operation Standards and Resources

Operating standards and resources are created for the operational efficiency of the district. When appropriate, those documents requiring approval of the District Executive Board or the District President include the approval date and body granting approval

12 Player Roster Standard

Leagues that do not roster 12 players on the affidavit must do the following:

The district will provide an email template surveying all players' league age. The email will ask parents if their child wishes to play on the tournament team.

Proof of the email and the distribution list will be required.

All leagues through Sports Connect can send a group email to a specific division. If the league receives no takers, the district Executive Board will evaluate the situation and decide on signing the affidavit for fewer than 12 players.

Procedure:

1. Request to carry fewer than 12 players on your roster (include division)
2. The district will send you an email template to share with all players in your league. (division)
3. Through Sports Connect, send the mass email to the distribution list.
4. Include District 16 on the email list.
5. Based on email results, the District Executive Board will review the results and decide on the roster reduction request.
