**Smithfield Packers Youth Sports**

PO Box 556  
Carrollton, VA 23314

Did you know that we have a championship football team right here in Isle of Wight County? The Smithfield Packers Youth Sports 8U Football team (student-athletes aged 7-8) have secured a perfect 10-0 regular season (being the first undefeated season in recent history). Following the Peninsula Youth Football and Cheerleading Organization playoffs (which occur following the regular season in November) the next stop on their unbeaten season is the United YFL Championship in Plant City, Florida.

The top two teams from the PYFCO Super Bowl are extended an invitation to the United YFL Championships and as you can imagine, the costs involved for the transportation, lodging, and meals for a 30-person team is quite extensive (our estimate per student-athlete is \$1,000.00). We are looking for local business community support as we prepare to help fund this venture for our 8U football team.

We hope that you can sponsor our student-athletes in their post-season competition endeavors. Thank you in advance for your contribution supporting the children of our community.

Smithfield Packers Youth Sports is a Virginia Corporation and is a 501(c) (3) organization (Tax ID 26-1813099) allowing your sponsorship to be tax deductible.

Sincerely,

Sean Kelly  
Treasurer, Smithfield Packers Youth Sports
