### Is there any financial assistance available?

A limited amount of financial aid is available to families who qualify. There is a two-step application process that includes a pre-screening email questionnaire, Financial Aid Application and tax documents. The application, documentation, and deposit must be turned in on or before June 15, 2018. Any player in need of financial assistance MUST attend a Financial Assistance Planning Meeting.

At that meeting, details of the Eastside Timbers financial aid program will be outlined. We will also provide information on our club fundraising activities that will allow families to earn funds towards their player fees. If you do not attend this mandatory meeting, it may be very difficult for you to receive financial assistance.
