

Scappoose Soccer Club

Scappoose Soccer club is proud to present you with this Coaches Handbook for many reasons!

First, we are proud to present to you the collective 'brand' of soccer we are teaching. As we look to develop our coaching staff, it is important that we have in place a resource that provides consistent, informative, and easily accessed material for our newest coaches.

Second, we are trying to develop youth soccer in the area. To do that, we need to have coaches that are proficient in teaching the game to youth players. Enthusiasm is a huge part of the qualification, but soccer knowledge and lesson plans are a very real and necessary component.

Finally, we want to make you as successful as you can be. Thank you to you for taking time out of your schedule to volunteer, teach soccer to children, many whom you don't know. Being a coach is a huge responsibility in terms of both commitment and player development, and we can't thank you enough as a club for taking on this rewarding task.

Enjoy the season and good luck!
