

Final Notes

US Soccer has a tremendous online and in-person training curriculum.

We highly recommend that all coaches that are able and willing take the online 'F' course at the US Soccer Digital Coaching Center (DCC).

The DCC is a state-of-the-art online educational platform. The DCC allows coaches to create a personal profile, register for courses, communicate with technical staff, take part in online courses, create session plans with an online graphics tool, access an archive of US Soccer training sessions and much more. It is free to setup your profile and enter your US Soccer license information. Once your licenses are verified by OYSA or US Soccer they will always be available to you to access and print. You can also access the NEW F License for a fee of \$25. That fee also gives you access to the resources and planning tools. To access the DCC visit dcc.ussoccer.com.
