

SSAAK/CSC Scholarship Program

Skills for Soccer. Skills for Life.

The SSAAK/Chugiak Soccer Club vision is to promote the game of soccer by providing a positive and supportive learning environment where players can achieve their full potential in the development of their soccer and life skills. Need-based scholarships and financial aid are available on a case-by-case basis for an athlete with the desire, commitment, and ability to play soccer.

1. The SSAAK/CSC scholarship program is subject to the availability of funds and is dependent on the success of the club's fundraising events. We ask all our club members to support the various fundraising events through participation and volunteering of time.
2. The decision to offer any scholarship award, the amount thereof, and the recipients shall be made based on a defined set of factors applied consistently across the applicant pool.
3. The SSAAK/Chugiak Soccer Club Scholarship Committee may only award **partial scholarships**.
4. SSAAK/CSC offers a limited number of scholarships for each soccer session. Recipients of financial assistance will agree to participate in 20 volunteer hours for club activities.
5. Award decisions will be made within one week of session registration when possible.
