

## **SPONSOR YOUR 2021 CASCADE VISTA BASEBALL TEAM**

Dear Sponsor:

Cascade Vista Athletic Club (CVAC) Baseball is a tax exempt, non-profit, organization dedicated to the development of young athletes and the promotion of high quality competitive and recreational baseball. Our competitive and recreational league is made up of local athletes ages 3 to 14 who are learning and have developed the love of the game of baseball. We compete in the Pony League, which consists of 7 local leagues in the Western Washington area, as well as many country-wide. Our seasons run from early March to the end of June and from late August through the end of October.

As a non-profit organization we rely heavily on sponsors to help defray the sizable costs of uniforms, equipment, field maintenance and investment in our community. Our players come from all walks of life and we are proud to be one of the only leagues in the area who don't turn away kids if they can't afford it. Over the last three years, we have offered over 100 full and partial scholarships to boys and girls in the local community so they can experience the great sport of baseball without having to worry about financial strain.

If you are someone who enjoys baseball, and would like to help contribute, please consider becoming a team or league sponsor. Aside from the good feeling of helping local kids participate in a great sport, you can also receive some benefits for your business. Depending on the level of sponsorship, you can have your business advertised in our opening day jamboree program, our team website ([cvac.org](http://cvac.org)), social media and field banners. Attached is a range of current sponsorships for the 2021 year.

Thanks in advance for your support,

Kathryn Schmidt  
Director of Marketing & PR
