D. PLAYING RULES:

1. The Peninsula Soccer Officials Association (PSOA) is contracted to referee all scheduled games in all age groups. There is one (1) referee assigned per game. There are NO PROTESTS of judgment decisions made by referees allowed in Newport News Youth Soccer. Video evidence will not be accepted in any protest situation.
2. Newport News Youth Soccer plays under US Soccer playing rules with exceptions and variations as listed in this document. There has been a recent amendment to the US Soccer playing rules in regards to heading the ball in youth soccer. No heading is permitted (games and practices) in the Bantam, Mite, and Junior league. The Intermediate league may head the ball during games. Heading may be allowed in Intermediate practices, provided it is practiced sparingly. Players in the Senior league are permitted to head the ball in both games and practices.

Penalty for heading: Any contact to the head, play is stopped immediately. The intentional use of the head will result in an in-direct free kick at the spot of the foul for the opposing team. Unintentional contact to the head will result in a drop ball to the team that last legally played the ball at the spot of the infraction unless inside the penalty area in which case the ball will be dropped to the keeper.

3. There is no grace period during the Indoor soccer season. Games will start at the listed time on the game schedule. If a previous game is running late the officials will determine the start time. All leagues will play with five (5) players per side on the floor. Each team must have no fewer than four (4) players to start a game and a minimum of three (3) to continue. If the minimum of four (4) players is not met at game time, then the game is considered a forfeit. In the event that a forfeit is declared, teams will still be able to use the allotted time for practice and/or scrimmage. **The referee will not officiate a scrimmage.**
4. *All league specific rules are described below. All other rules not specific to one league will apply to all leagues.

Parents also can be ejected from a facility at any time, please make them aware of this. Any player involved in a physical altercation, as deemed by Athletic Staff, will be suspended for a minimum of the next league game. Any coach or parent receiving a red card must immediately leave the facility.

 9. Goal keepers cannot throw the ball beyond midfield in the air. The ball must touch the floor or any player on the floor before crossing midfield if thrown. Goal kicks are thrown by the goal keeper, are indirect, and cannot cross midfield in the air unless touched by a player or the floor before crossing midfield. An indirect free kick will be given as a result of this infraction where the ball crossed the line. On a keeper save, the keeper can throw or “kick the ball” provided it has been placed stationary on the floor. **Note: no drop kicks. Penalty is an indirect free kick from the penalty arch spot where the ball crossed the line.** If a keeper places the ball on the floor it is considered a “free ball” a keeper cannot dribble the ball from outside the penalty area into the penalty area and pick it up.
 10. **The penalty spot is twenty (20) feet from the goal line.** The ceiling and basketball goals are out of bounds. Restart for an out of bounds is an indirect free kick from the spot directly below where the ball went out of bounds, unless down by the defense in its own penalty arch in which case the ball will be placed on the penalty area line closest to where it went out of bounds. A goal cannot be scored from a kick off. All kick offs are indirect and can be played in any direction. Kick ins are indirect and a goal cannot be scored directly from a kick in.
 11. On free kicks outside the team’s own penalty area, the ball is in play when it is touched and moves. For free kicks inside the team’s own penalty area, **the ball will be considered in play when it leaves the area. All fouls against a player and fouls for handling the ball will result in a direct free kick.** Players must be at least fifteen (15) feet from the ball on free kicks. Players must be at least ten (10) feet from the ball on kick offs.
 12. All restarts must be taken within five (5) seconds of the ball being ready for play. A violation will result in change of possession.
 13. After a team scores seven (7) more goals than their opponent, the team in the lead must take one (1) player off the floor or allow the losing team to add one (1) player. The losing team will be allowed to choose which option is taken. If the difference in score is reduced to less than seven (7), both sides can return to 6 v 6. If the difference returns to seven (7) the losing team once again has the option as originally stated.
