WYSA will not offer individual registration for this Fall Baseball & Softball League. If your child is interested in playing and does not have a team, please complete this form and email to cullensherry@hotmail.com, or send a text to 314-570-0465. If a team contacts WYSA seeking additional players for the division in which your child can play, we will pass your information on to the coach looking for players. The coaches will reach out to players if needed. We will only share your information with coaches who reach out to WYSA looking for players. Your information will not be posted on any website or public forum. We do offer individual registration for the Spring League (registration is December 1 - mid-February), but not for the Fall League.
