## **2026 Fall Baseball & Softball League**

**2026 Fall Baseball & Softball Registration will OPEN on June 15, 2026.**

**2026 Fall Baseball & Softball Registration will CLOSE on July 27, 2026.**

**2026 Fall Baseball & Softball Season will run mid-August through Mid-October, 2026.**

**THANK YOU** for your interest in the upcoming Washington Youth Sports Association (“WYSA”) competitive Fall Baseball & Softball League. This Fall league only offers team registration. This opportunity will be offered for baseball and softball teams ages 8 and over. Ages will be determined by the 2027 USSSA age calculator. <https://www.ussa.com/baseball/agecalculator>.

### **League Play**

The 12-game season will start mid-August and continue through October. We will do our best to get all 12 games played, but we cannot control the weather. All games will be played on the Washington Lakeview Ball Fields located at 418 Grand Avenue in Washington, Missouri. Games will be scheduled on Sundays in time slots from 1:00-6:00 p.m. There could be occasions where teams will play 2 games in one day. **Score/Standings will be kept.** Team schedules will be posted on the Washington Youth Sports Association website at [www.washmosports.com](http://www.washmosports.com). Ideally, we would like to have at least 4 teams in each division for a division to be scheduled.

### **Playoffs**

Single elimination playoffs will follow the regularly scheduled league games at the end of the season.

### **Practices**

Practices for this league will begin the week of August 10th. Teams will be given one (1) scheduled practice (1.5 hours) included with registration fee, and those practices will be held on Saturday or Sunday only.

### **Team Registration Fees**

The registration fee is \$1,500.00 per team. Payment is required before the season starts. A full roster of 10 to 15 players is required for this registration. This league is for full team registration only. WYSA will not be adding players to teams or finding teams for players. The coach will register his/her team and will need to complete a team roster that will be collected by the League Coordinator no later than two weeks before the first scheduled game. **Deadline to register is July 27, 2026.**

### **Individual Registration Information**

We will not offer individual registration for this Fall Baseball & Softball League. If you are interested in playing and do not have a team, please complete the free agent form. If a team contacts us seeking additional players for the division in which your child can play, we will forward that information on to the coach looking for players. The coaches will reach out to players if

needed. We do offer individual registration for the Spring League (registration is December 1 - mid-February), but not for the Fall League.

### **Team Uniforms / Equipment**

All teams registering for the Fall League must provide their own uniforms and equipment. The only uniform requirement for the Fall League is that each player must have a 6-inch number on the back of his/her shirt and every player must have the same color shirt. Uniforms will be in accordance with the USSSA guidelines.

### **Sponsors**

Sponsors are not provided for the Fall League teams as with the Spring League. Teams are free to seek sponsors on their own to help with uniform shirts and/or registration fees.

### **Concession Stand Duty**

Each team will be scheduled to work concession duty either prior to or after one of your scheduled league games (depending upon the number of teams, your team might be scheduled twice). Each team is to provide two (2) parents to work the concession stand on behalf of your team for a 2 hour time frame. Failure to show up and work your concession duty will result in your team being removed from the league playoffs. Your team's scheduled date and time will be provided with the league schedules.

### **Coaches Information**

Please submit your team name as soon as possible so divisions can be organized.

Registration fees are not due at the time of signup but are due two weeks prior to your first game.

\*\* Rosters *must* be turned in before your first game, but ideally after the first week of practice.\*\*
