Page Youth Center Announces Partnership with Los Angeles Clippers

Santa Barbara, CA— January 22, 2018 — Today, Page Youth Center announces an exciting new partnership with the Los Angeles Clippers of the National Basketball Association and Jr. Clippers Youth Basketball Program. The Clippers are partnering with youth basketball organizations that they feel match with their goals of development of skills and sportsmanship.

“We are very excited to enter into the partnership with the Clippers, which brings with it increased opportunities for development for our youth, coaches, and basketball program as a whole,” said Timothy Grigsby, Program Director at Page Youth Center.

Positive Community Impact

The partnership with the Los Angeles Clippers will provide the Page Youth Center with youth clinics with Clippers alumni, Coaching Clinics, equipment, sportsmanship programs, discounted tickets to Clippers games and more. This will give the Page Youth Center a greater ability to grow and deliver on the continued mission of “*Building Character Through Youth Sports.*”
