

2020 JV Girls Basketball

Calling 4th, 5th, and 6th Grade Girls Basketball Players...

During this unique time, our coaching staff is committed to offering fun and competitive fundamental skill-building individual and team workouts. Workouts will occur 2-3 days per week at SGS. There will be inner-team and inner-squad competitions, progressing to increased competitiveness over time.

We will be following our Saint George Catholic School student-athletes prescribed protocols of screening, distancing, use of masks when not actively competing in drills, etc. These protocols are outlined in our SGS Return to Safe Play Plan.

We look forward to having time to keep advancing the student-athletes' ability through dedicated and meaningful connection with their teammates and to the sport.

Please register by September 11th to ensure your spot.

To register visit www.sgslancers.com, sign-in (register for first time users) to complete the online application and print the required forms. Review, sign, & return complete forms at first practice.
