

Dear Potential HSAA Sponsor,

We are the HSAA Angels Softball program, an organization devoted to providing an opportunity for homeschooled high schoolers in the metroplex to play high school ball in a Christian atmosphere. HSAA is an established association that offers multiple sports and experienced coaches instructing in the skills needed to compete. We enjoy the benefits of competition, dedication and camaraderie gained in organized, high school sports by athletes of all abilities! We would like to extend the opportunity to local business owners like yourself to contribute to our fast growing and competitive Varsity and JV softball teams. We travel all over the DFW metroplex playing several games weekly, have scheduled multiple tournaments around Texas, and are registered to attend the annual end-of-season NACA softball tournament in Dayton, Tennessee.

As an HSAA Angels sponsor your business is linked on our website www.hsaasoftball.org, recognized at HSAA sponsored softball, visible in all printed HSAA softball programs and social media outlets, and you will receive a letter from HSAA for your tax records since this is tax-deductible donation to a Not for Profit Texas organization.

We are looking to raise money this season for a few reasons: entry fee to our end of season tournament (approximately \$1600), new uniforms (approximately \$500) and our year end banquet (approximately \$4000). We would appreciate any donation you can make to our HSAA Softball.

With 4 levels of sponsorship you have the ability to invest in our future at an amount that is responsible for you and your business:
