

**Manhattan Beach Little League  
2026 Sponsorship Opportunities**

## Our Mission

Manhattan Beach Little League started in 1958 as a nonprofit youth organization and chartered member of Little League Baseball. This is all made possible by volunteers, sponsors, and player participation fees generated from the Manhattan Beach community. Our goal is to provide an exceptional athletic organization that provides enjoyment while teaching children the fundamentals of baseball and how to work as a team.

# Sponsor Banners

## The Value of Your MBLL Sponsorship

- Increased top-of-mind brand awareness for your business.  
*Sponsor banners stay up on five Manhattan Beach baseball fields for most of the year.*
- The goodwill and brand advantage created by your support.
- The opportunity for communication throughout the baseball season to engage MBLL families, relatives, friends, and the community with your business.
- A tax-deductible donation.

Sponsorships fund everything from field maintenance and umpires to purchasing new equipment. Your support ensures Manhattan Beach Little League will be able to continue this amazing 67-year tradition by ensuring the players have the resources they need.
