

Dear Supporter of Penns Valley Little League,

Your annual PVLL sponsorship opportunity is here! Your donation *directly* supports children in Penns Valley in a highly visible way to consumers from communities all around central Pennsylvania.

In 2026, we are offering opportunities for business sponsorships through the purchase of field signs or through individual team support. Please complete the second page of this letter and return, with a check to Penns Valley Little League, PO Box 27, Centre Hall, PA. 16828.

Penns Valley Little League (PVLL) is looking forward to another exciting season in 2026. This year, we are planning to field a league consisting of approximately 150 youth players across four divisions - that's 50+ games of Little League held across our two baseball complexes in Penns Valley during the 2026 season alone! These games draw not only Penns Valley residents, but fans from the surrounding communities across Central Pennsylvania like State College, Nittany Valley, Bellefonte & Bald Eagle.

This year, PVLL will also host multiple tournaments at several levels. PVLL gives recognition to its sponsors using social and other media channels, increasing the visibility of your support. Little League families are engaged in the community and interested in supporting local businesses.

Thank you for your support!
