Meeting commenced at 6:35pm. Brandon Musser called the meeting to order.

The Purpose of this meeting was to get a President review of the year and an Annual Report from our Treasurer. This meeting is also to elect/re-elect Members to the 7 open spots on the Board.

Presidents report: Brandon reports it has gone well over the past year. We had a good amount of players and played a ton of baseball between April and August. He is proud of the work on C Field and the overall look of our fields. Looks forward to the next season.

Treasurer Report-Liz emailed the Board and printed copies were passed out for the Public attendee's to review. Kylie read the report. Multiple questions were raised regarding Money brought in and money that went out. Overall opinion was to ask it to be more detailed. Example: We brought in and deposited XYZ for Gift Card fundraiser, We paid XYZ to purchase the cards, Total profit is XYZ. Liz is aware and will continue to streamline and improve upon the reporting system. All Board members agree she is doing a phenomenal job and has really gotten us back on track after the last Treasurer left things quite disorganized and only on paper-no computer records.

Ryan Mostyn asked if anyone who donates to the League is able to use this as a tax deduction if our Tax exempt status is still suspended. Brandon felt it was and would be retroactive to when it was suspended when it is fixed. We will ask our accountant to confirm.

Election: Brandon Musser passed out 12 Ballots. Kylie Topeka and Brandon Musser tallied votes. There were 23 absentee ballots also.

New/Returning Members are: Kurtis Strouse, Justin Gray, Jennifer Bird, Mike Hanson, Mike Vogt and Abby Luse. There was a 1 write in candidate that had the least votes.

Everyone would bring as many items that we need to work through together and we try to get as much done as possible. The goal would be 1 long meeting and then shorten our monthly public meetings. Everyone agrees to try this.

-Mike also suggested that items that need voted on be sent out the public prior to the meeting.
