### **Criminal Background Check Policy**

The White House Youth Baseball & Softball Board has implemented a mandatory background screening policy

White House Youth Baseball & Softball  
Background Screening Policy  
Adopted 11/21/2017

#### **PURPOSE**

It is the intent of this policy to establish certain guidelines wherein the White House Youth Baseball & Softball (hereinafter referred to as “WHYBS”) and its affiliated boards can seek to protect our program participants by investigating the background of coaches and volunteers (hereinafter referred to as “candidates”) who will be involved in WHYBS approved programs.

#### **GENERAL**

A. Criminal background screenings are conducted by an outside third party who specializes in such work.

B. Any person who has been found guilty, pled guilty; or pled no contest, regardless of adjudication, or has a pending charge pertaining to, any of the disqualifying offenses listed in this policy will be immediately disqualified from coaching and/or volunteer positions with WHYBS. WHYBS also reserves the right to disqualify a person for any crime that would be considered a potential risk to children and/or vulnerable populations. A candidate who willfully fails to comply with this background screening policy shall be automatically disqualified.

C. This policy will apply to all WHYBS coaches and volunteers. Both head and assistant coaches participating in sanctioned WHYBS programming. If there is any doubt as to who should be screened, the general rule is anyone who would potentially have unsupervised access to children in a WHYBS approved program. Each coach/volunteer will be screened ANNUALLY for as long as he or she continues participating in WHYBS programming.

***The criminal background screening is mandatory, there are no exceptions.***

#### **SCREENING PROCESS**

All candidates must sign a Release for Criminal History which gives WHYBS the right to check criminal history records and verify social security numbers. This release and screening is executed directly, through [www.protectyouthsports.com](http://www.protectyouthsports.com), and the secure URL at which candidates can execute their WHYBS background check is: <https://opportunities.averity.com/WHYBS>

The cost associated with these background screenings will be paid for by WHYBS.

No other personal information (e.g. work history, financial, credit, etc.) is checked or researched. The company executing background checks has agreed to such terms contractually, and confirms such direction annually.

The third party contractor conducting the checks will cross-reference the screening results with the disqualifying crimes listed in this policy. A pass/fail grade will then be relayed to WHYBS based on the cross-reference. A pass grade for any candidate that has zero disqualifying crime matches, a fail grade for any candidate that has one or more disqualifying crime matches. All information pertaining to the background check will remain with the third party contractor, subject to the applicable laws requiring disclosure. WHYBS will not be informed of the results of any background check; rather, the WHYBS will only be issued a pass/fail grade for each candidate.

If the third party contractor reports any “fail” grades to WHYBS, WHYBS shall notify the candidate that he or she is disqualified for their desired position. Upon request, the candidate will receive a copy of the background check from the third party contractor.

### **CONFIDENTIALITY**

To help ensure confidentiality, coaches, volunteers, and the WHYBS board should not be notified of a Coach’s criminal history. The criminal background reports shall be kept in a secure location by the third party contractor for a period as required by applicable law.

### **APPEALS PROCESS**

If a candidate’s background check includes a charge set forth on the list of disqualifiers below, WHYBS shall immediately disqualify a person from their position. There shall be no appeal of a decision to disqualify a candidate, if the candidate’s relevant criminal history is accurate; all decisions are final.

If a candidate wishes to dispute the content of the profile report, the candidate shall contact the third party responsible for conducting the background check by calling the telephone number listed on the report. The candidate is responsible for providing any or all documentation to support his or her claim.

### **DISQUALIFYING CRIMES**

If a candidate (1) has been convicted of, (2) has a charge pending against him or her in which it is alleged that he or she has committed any of the following crimes, or (3) has a record of a conviction of an equivalent offense in another state, the candidate will be disqualified from the position with any program approved by WHYBS.

These guidelines were produced as a result of their review.
