2:00 - 4:00	Advanced Mechanics

Please RSVP through the google form [Almaden Umpire Clinic Registration](#). Indicate which sessions you will attend (Survival, Rules, Advanced).

Registration is from 7:30 to 7:50. Please be prompt as we must start on time.

Umpire Survival Training: New umpires will be taught mechanics to keep you safe and give you the best chance of making the correct call. For returning umpires, this is a great refresher.

Rules and Lunch: Overview of many of the most important rules and new regulations and changes for 2023. Lunch will be provided.

Afternoon Session:

Advanced Mechanics will teach advanced umpiring techniques and all are encouraged to attend.

What to bring:

- Lawn chair. We will not have access to the Gymnasium this year.
- Layers of clothing. It can be cold in the morning.
- Umpire plate mask and indicator if you have them.
- Comfortable tennis style shoes/sneakers.
