2011 Little League World Series Champions

2011 United States Champions

2011 West Regional Champions

2020 & 2011 "Back to Back" California State Champions

We are proud to call ourselves "Home of the 2011 Little League World Series Champions" and a springboard for athletic, academic, and professional success for tens of thousands of young ball players who grew up on its hallowed fields, OVLL is a national model for Little League excellence dedicated to the children and families of the Huntington Beach community.

The longevity and its rich history of success both on the field and in the community stems from the tremendous effort of many generations of volunteer board members, managers, coaches, and parents who ensure the best interest of our players is central to everything we do. We strive to teach our youth the skills of baseball, sportsmanship, camaraderie, leadership skills and most importantly, to have fun.

Our goal as a league is to keep our fields and equipment in the best condition possible for many years to come. This goal would not be attainable without the support and generous donations from our corporate sponsors. Funds received through our corporate sponsorship program go towards:

- Field Rental Fees
- Field Maintenance and Improvements
- Maintenance of our SnackBar
- Baseball Equipment
- We are greatly hoping to put in permanent restrooms, since as of now we operate using portable restrooms

Attached is the Ocean View Little League 2025 Sponsorship information. We appreciate your consideration of becoming a member of the OVLL family of sponsors in our efforts to support our league and children.

OVLL is a non-profit organization:
