

## Double AA Baseball Rules

### Goals

Double AA Baseball is focused on the development of fundamentals of baseball in a semi-competitive environment. It's here players will continue to learn the proper way to catch, throw, field, hit, and run the bases. The Double AA division consists of 10-11 players per team. Players are assigned to teams by the TBSC board. Efforts are made to create teams that are equal primarily based on skill evaluation and age.

### General

- 1.1 Practice on assigned fields at assigned times only. (Contact TBSC board for additional availability)  
Practice times are chosen during the player draft.
- 1.2 No Automobiles on Baseball/Softball Complex walking paths
- 1.3 **Following each game and practice**, coaches are asked to **rake** the base, plate and pitcher's mound area with rakes hanging outside each dugout. This helps fill in low spots that occur during the game.

### Games

- 2.1 Games will consist of six (6) innings, or a 1 hour and 30 minute time limit has been reached. **No new inning shall start after 1 hour 15 minutes.** Half innings may be completed. Umpire will attempt to notify coaches of last inning when appropriate (Game circumstances may dictate that last inning may not be called until limit is up)
- 2.2 **Five (5) runs** per inning **rule** applies. If five (5) runs cross the plate in any half inning, that half inning is over and the players switch sides. Five run rule **DOES** apply in the last inning. Last inning is considered the sixth (6<sup>th</sup>) inning or the last inning of play due to the time limit.
- 2.3 Teams can play with any amount of players. No empty batter's position shall be considered an out. Late players must bat at the bottom of the batting order. Every kid will be a part of the batting order. **NOTE:** Maximum of 9 players on defense at any one time. Teams can share players if needed so the game can be played.
- 2.4 If a game has been called before it becomes a regulation game, but after one (1) or more innings have been played it shall be resumed exactly where it left off. **NOTE:** All records, including pitching shall be counted.
- 2.5 If a game has been called after four (4) innings, or three and one half (3-1/2) if the home team is leading, the game shall be considered a regulation game.
- 2.6 Scores and standings will be kept. The post season tournament will be based on these standings.

- 2.7 Postponed games may be made up. Please schedule with your league director to determine time and coverage for umpires.
- 2.8 Home plate & (1) Field umpire if available will be provided by TBSC. Home plate umpire is the “crew chief” of all umpires. Any disputed calls will be made in the best judgment of the home plate umpire. The umpires will remain on the field until all players have returned to the dugout after the handshake line.

### **Playing Rules**
