

MINUTES OF JANUARY 13, 2020 LTJBSA GENERAL MEETING

In Attendance: Paul Alfieri, Pete Bak, Brian Ciuffreda, Mike Crowley, Bob Dalle Pазze, Ken Dobkin, Kevin Donahue, Collin Edgar, Ralph Floyd, Matt Heady, John Herold, Ken Kiernan, Kris Kmiec, Ryan Kmiec, Mark Kriegel, Joe Lech, Gene McGuire, Ken Mitchell, Lisa Nevius, Mike Poot, Aaron Robison, , Stephen Stomenger, Paul Vichroski, Sean Willever, Jake Zalaznick, Jason Zegarski, Zig Zegarski

January Attendance attached below.

The meeting was called to order by LTJBSA president, Zig Zegarski.

Review of minutes: Minutes of December amended to show no minutes in November instead of December. Sean Willever made the motion to approve December minutes with Ralph Floyd second. Minutes approved unanimously.

Treasurer's Report: Not many expenses for the month. Concession stand license has been renewed and the holiday party expenses are listed. Babe Ruth and Little League Charter will come out in January expenses. Charters are complete. Sponsorship renewal requests were sent out. We have 7 sponsors who elected to carry over their sponsorships from 2020, other sponsors either made a donation last year or opted to pay. Will be short on sponsorships this year. Sponsorship letters went out. QuickChek has responded and declined for this year. Motion to approve Treasurer report by Ralph Floyd and second by Gene McGuire. Report approved unanimously.

Babe Ruth: Ralph Floyd gave Babe Ruth Report. No changes from last month. Charter completed last night. May 10th Start date tentatively.

Softball: Jake Zalaznick gave Softball Report. Everything is status quo for now. Softball is using Facebook for word of mouth communication. Twitter and social media is welcome. Jake will put the pics out on Facebook and share with Paul for the website.

Little League: Paul Alfieri gave Little League Report. We have overhauled the website to market Little League Baseball and Softball. Please send pictures for the website to post on the website. We need to spend time on social media. Little League International does a lot on Twitter. I will work with Ralph and Travel to get word out. Bob and I worked this week to open registration this week. We will open for registration only and not take payments at this time. Make T-ball will be free this year. Little League International has set their opening day as April 19th and we need guidance from the township to coordinate. We will work with the township to get

what is needed to open. Please check out the website. Paul has done a phenomenal job getting this to where it is.

Travel: Ken Dobkin gave report on Travel. Uniforms ordered and season is supposed to open the second week of April. Twitter feed is up and been on the website for the last year and a half. A lot of good things going on between Little League and Travel.

Old Business: We have to revisit our 5 year plan by sitting down with a group of people for ideas. We can submit to the town. Talking to Nancy and she will purchase the bases. We have to come up with a list for the township on what we need to get the fields open. Ken Kiernan has received the old 5 year plan to base the new going forward.

New Business: We are all talking about the 2021 season and if/when it comes to fruition, what are we planning to do. Opening day set for April 19th. We need to collectively talk about what is needed to open. Thank you Paul for getting the website up to date. One of our former players and coaches, CJ Hendricks and his sister, were on the tv show The Wall and did phenomenal. Buildings are still closed. The prerequisites to open the building is not conducive in supporting all teams and players to practice safely. Babe Ruth wants to try a new background check and Ralph would like to circumvent the township checks in lieu of Babe Ruth recommendations. Babe Ruth also wants everyone to attend the concussion training. Joe Lech had communicated with Nancy and she is working on rewording the township ordinance.

Motion to adjourn by Ralph Floyd and second by Ken Kiernan.

Next meeting is February 10, 2021 via Zoom and the link will be posted on the website.
