Dear Business Owner/Store Manager,

Every year, we invite local businesses to sponsor our baseball and softball teams. After thinking of businesses in the community that we want to be affiliated with, we naturally thought of your business because of your dedication to our community. Sponsoring a team is not only a great way to get involved; it's an amazing form of marketing for your business. Kerrville Little League will have ten different divisions this year. That means your business will have branding in front of hundreds of people and generate countless impressions across the Texas Hill Country. With that type of exposure, everyone will remember that your business supported us and helped make our season a successful one. Of course, we are teaching the kids to be better ball players, catching, throwing, base running, and the strategies of the game. More than that though, we are inspiring teamwork, good sportsmanship, respect, the value of hard work to achieve their goals, and being good humans on and off the field. Above is our sponsorship form. There are three different levels of sponsorship, with each level having their own unique benefits. We ask for sponsorships or donations to help subsidize the cost of new equipment/uniforms, grounds keeping, concessions, and various other expenses. We understand that you have several choices when considering different marketing and community outreach opportunities, but we truly believe that this is a great fit. Any kind of donation is very well appreciated. Our community has been through so much pain and grief in 2025, and this is an opportunity to help our youth and community heal, by being a part of cultivating the youth of the Texas Hill Country with your kind donation. If you have any questions, please email us at Kerrvillelittleleague@gmail.com. Thank you for your consideration!
