E. Forfeit Of Games Warning:

The NEYT Spring 2021 season has limited schedule games. For this reason it is important that we follow a strict no forfeits policy. Please speak to your staff in regards to our forfeit policy.

All affiliated Team(s) will submit a **\$500.00 performance bond** to NEYT. This performance bond will be returned to the team in full at the conclusion of the Spring 2021 season provided the team has not forfeited any of its NEYT conference games. (See NEYT Rule Book). Forfeits and Cancellations are defined as either;

Cancellation: Defined as a team representative contacting NEYT Staff via email informing that they will be unable to make a scheduled game with at least 72 hours business notice. A cancellation will come with no penalty to the team although the team may end up playing one-two less games than other teams in the league depending on scheduling availability. A combination of 2 cancellations without make up will result in automatic removal of the team from NEYT. Every possible attempt should be made by cancelling team to reschedule game.

Forfeit: defined as either;

- A. A team representative contacting NEYT Staff via email with less than 72 hours business notice that their team will not be able to make a scheduled game. This will be referred to as a **“standard forfeit”**.
- B. A team not showing up to a scheduled game with no prior communication made to NEYT Staff **via email**. A **“no show forfeit”** will result.

A combination of 2 forfeits will result in automatic removal of the team from NEYT. Forfeiting teams are automatically excluded from any Championship games and All-Star games. All teams that forfeit will be subject to a \$65 per referee fee (3) and \$150 fee per game for facility cost. The team will remain suspended from playing until fees are paid. Teams will not play again unless the forfeit fees are paid and any games that were already scheduled at the time of the forfeit for the team in question will be cancelled unless the forfeit fee is paid with 48 hours of the team’s next scheduled game.
