- If you already have a Little League University account, you can [login here](#).
- Otherwise, you will need to [register here](#).
- Once you're in the **Learner Dashboard**, select “All” in the **Courses** section on the left side to find the available training courses.

Once you complete the trainings be sure to save the certificates you receive so they can be uploaded to your volunteer account as shown below.

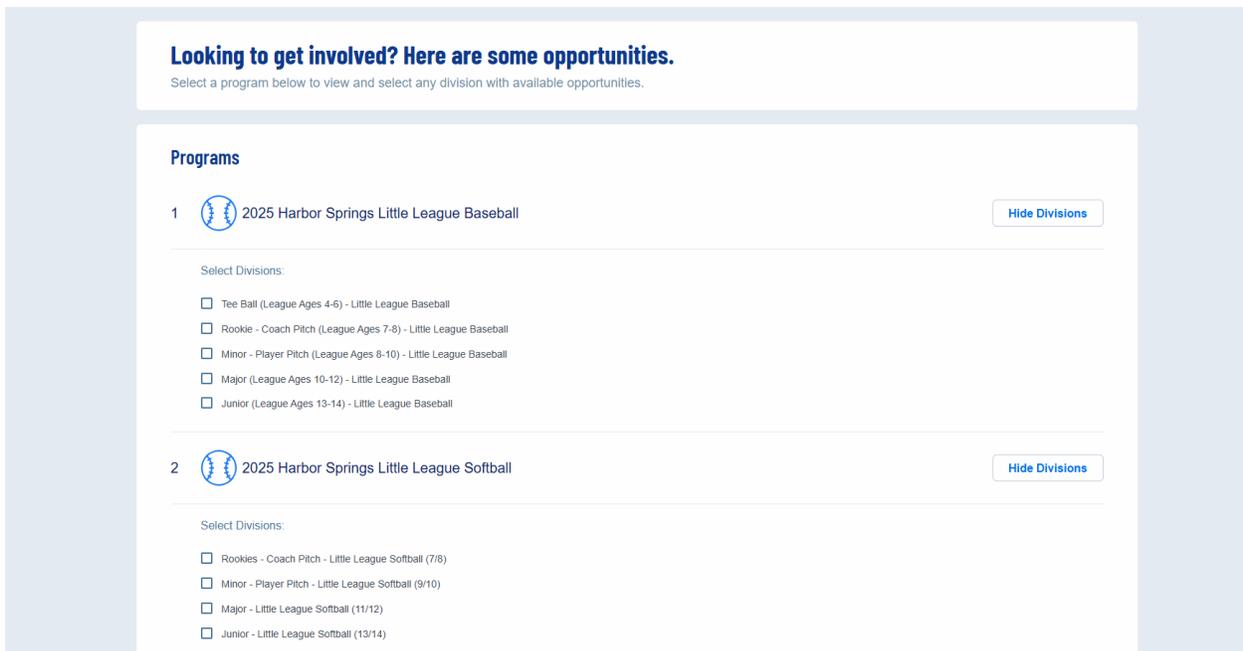

1. Register or login to your account at <http://www.harborbaseball.com>. If you registered a child for Little League you should already have an account, otherwise you will need to create one. Note that EACH volunteer must have their own account and training certificates.

2. Select the Volunteer button in the left banner.

3. From there click the blue box that says “Find Volunteer Roles”, click the “View Divisions” box (either Baseball or Softball), and then select a Division. **If you are a volunteer that is not assigned to a Division, such as an umpire, board member, or concession worker, select the Baseball program and Junior Division.**
