

Medford National Little League

PO Box 1

Medford, OR 97501

Charter #04370802

Dear Friend,

Once again, the Medford National Little League (MNLL) is preparing for the upcoming baseball and softball season. MNLL provides traditional spring baseball, softball, and T-ball programs. Our mission is to teach teamwork, discipline, good sportsmanship, and a love of baseball and softball. MNLL serves the children in the areas of west Medford (97501 zip code), Jacksonville, Ruch, Applegate area and families in-between. Your support is vital to our success and to the future of youth baseball and softball in our community.

Medford National Little League is a non-profit organization that has operated at the same location for over 50 years. We rely exclusively on volunteers to run the league and keep the fields in playing condition. Operating costs exceed \$60,000 annually. Registration fees and concession stand proceeds cover approximately half of these expenses. It is support from our community members and businesses like yours that help keep registration fees low and help provide necessary equipment for kids to play.

2025 was a successful season for Medford National Little League. There were many improvements made to our field 1 and plans have been put into action to revitalize our facility and playing fields. We had our pilot Middle/High School Softball season in 2022 and in the 2023 season they made it to the State Tournament, and in 2025 they made it to the Regional Tournament in Montana. In 2024 we started our Middle/High School Baseball Program, allowing us to accommodate 4–16-year-old youth athletes in our district. We are hoping to grow our middle/high school teams this year as we work to revitalize their field. We also accommodate players from other leagues throughout Southern Oregon when they can't roster a full team. Giving every youth an opportunity to play. These areas include Rouge River, Gold Hill, White City, Central Point, and East Medford. Community support for these players is vital to provide a quality playing experience. In addition to hosting our own league, Medford National accommodates our local Challenger Little League division for special needs children and adults.

Medford National Little League offers several levels of recognition for your sponsorship. As a non-profit organization your contribution is not only tax deductible but is also a great source of name recognition. Thousands visit our facility annually. Providing a sponsorship alerts the community that your business has stepped forward to support youth baseball, softball, and T-Ball. Being a partner in a community venture benefits not only the league, but your business as well.

Please see the attached levels of sponsorship and let us know if you or your business is interested in sponsoring our league. Thank you for your consideration to contribute to the 2026 season of Little League in Medford!

Sincerely,
Cort Smith
President/Sponsorship Coordinator
