

Union Little League 2019 District 12 Little League All Star Verification of Availability Form
(This form does not guarantee a nomination or selection to an All StarTeam)

Being selected to an all-star team is an honor and with that honor comes a commitment to fellow teammates. Practice is an important element of this endeavor and in order to prepare the team for games, players must practice together. Parents and players need to understand and agree to the time commitment of being an all-star and every all-star team candidate must meet the following availability criteria, or they may not be allowed to participate on a District 12 all-star team. Each player selected for an all-star team must be **available** to practice typically every day within the practice and game time frame of the tournament(s). The manager will determine the dates and times of practices. Parents are also expected to participate by volunteering during the tournament season. Assignments will be made by Union Little League.
