New Business:

- Pappa stated that numbers seem to be down from last year. Partly due to the age chart. Discussion commenced on reasons as to why numbers are down. Travel teams vs home town little leagues, what are the big changes?, finding enough volunteers to run leagues. How can Little League be equitable and competitive with all of the other choices out there?
- Players from leagues that do not offer Majors, 50-70, Juniors, etc. are eligible to play with other leagues on a special waiver for regular season play only.
- Next week Pappa travels to Western Region to discuss Little League rule changes and other items.
- Tentative TOC tournament dates and All Star tournament dates were given. District 64 hosts the 9-11's Section Tournament this year.
- Dixon will host the next District 64 meeting on February 21st.

Meeting adjourned: 7:59 PM
