League Representative Absent: RVLL

A special "Thank You" to Kevin and Vacaville Central Little League for hosting tonight's meeting.

Review/Approval of Minutes:

April minutes to review / approve

- Motion to approve minutes by Dixon Little League
- Second the motion by Davis
- Minutes were approved by all

Reports:

- DA: Only four leagues have registered for All Stars on Little League International. You have to go on to the Data Center to register your teams. Central will host Major TOC's. Thank you Central! Minor TOC's will have 6 teams and Major TOC's will have 5 teams. Juniors and 50/70 will be hosted by standings.
- ADA: No Report
- Treasurer's report / Assessments: No Report
- UIC report: Brian will pass along any information sent to him regarding safety. Questions have come up about replacement of Major players. A Major player has to be released before bringing up a player. You cannot bring a player up and then send them back down. There will be Pre-TOC and All Star umpire training from 1-4pm on Sunday in Dixon at Hall Park. Leagues that are hosting TOC's are required to have their own umpires. For All Stars, every league, if capable, should send 4 umpires to help. Give Brian names and invite them to the meeting on Sunday. For all TOC and All Star games a coin flip for home and visitor is required. Hosting league's do not have to provide meals for players during TOC's. Only All Stars.
- Junior / 50-70 report: There will be a one game play in on May 28th. Top seed gets a bye for. For Juniors, whoever wins goes on to a four game, double elimination tournament. Highest seed hosts each game. For 50/70 it will be the 4 top seeded teams. Top seed of each game hosts. VNLL has top 2 teams so two games will play in one day. One in the morning and one later.
- Safety report: Any injury or illness lasting 7 days or longer has to have a medical release to play.
- Challenger report: No Report

Old Business:

- Waivers should all be in and signed off before All Stars. Please make sure residency requirements are accurate.
- We still need league hosts for Junior All Stars. If no one steps up to host, the tournament will not happen.

New Business:

- Bracket selection/seeding: Each league drew for seeding for each tournament they are participating in.
- Ejections are down from last year. That's a great sign with TOC's and All Stars coming up.

Questions & Open Forum:

- A question came up from VALL about 50/70 players being allowed to play in Majors for All Stars instead of the Intermediate division. Milt will look into it and let everyone know.
- Mike Pappa brought up the inter-league rules that were discussed last month. Hopefully everyone has looked it over.
- District will leave the 11th of June open on the Major and Minor TOC tournament schedule so All Star managers and coaches can attend the Affidavit meeting.

Next Meeting:

- All Star Affidavit meeting will take place on June 11th at Vince's in Woodland.

Meeting adjourned: 8:19 PM
