Carmine Conti, State Director

Proposal to award the four (4) 2020 State Champions an Achievement Award

The State Committee recommends that membership approve a proposal to award an Achievement Award to each of the four (4) 2020 State Champions since COVID-19 precluded these teams to advance to Regional/World Series play. This will be a one time occurrence due to the cancellation of all Regional/World Series tournaments due to the pandemic.

- A committee of DA's and Section Umpire Consultants met on October 3, 2020 and recommended that the proposal be presented to State Committee.

Pros:

Recognize the achievements of these four (4) teams under these unusual circumstances

Con:

None

Submitted for approval by the New Jersey State Little League District Administrators Association State Committee October 3, 2020
Approved, November 21, 2020
